

Grant Thornton is one of the world's leading firms offering independent Audit, Tax, and Advisory services. We are made up of over 56,000 people in over 140 countries. We are looking for a dynamic, enthusiastic, and dedicated **Senior** for our **Energy and Natural Resources (ENR) Department** in our Tanzanian Office.

Vacancy Title: ENR Senior

OVERALL ROLE:

Reporting to the ENR Manager, Associate Director, and Partners, the Senior in the Energy and Natural Resources (ENR) Department will hold a critical position within our firm. In this role, you will oversee the successful execution of tasks within the ENR Department; which focuses on oil & gas, renewable energy, Sustainable Development Goals (SDG), and e-mobility. You will also be responsible for marketing and business development activities for the department and the firm.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Deliver strategic guidance to clients in the ENR sector, leveraging your understanding of the sector.
- Build and nurture strong client relationships, understanding their needs and delivering customized solutions.
- Lead multiple projects, ensuring timely delivery, effective resource allocation, and high-quality outcomes that would exceed client expectations.
- Be aware of changes in the industry including market trends, regulations and innovations. Conduct regular research to be able to provide clients with valuable insight.
- Be a part of a team of professionals, fostering a collaborative and high-performance work environment.

SKILLS AND ATTRIBUTES:

- Experience in the energy and natural resources sector, with an understanding of industry dynamics, market trends, and regulatory frameworks.
- Strong communication and interpersonal skills.
- Strong leadership abilities, with the capability to guide a diverse team towards achieving common goals.
- Strong strategic thinking and problem-solving skills, with the ability to analyze complex issues and develop innovative solutions.
- Exceptional project management skills, including planning, budgeting, and monitoring progress.
- In-depth knowledge of risk management and compliance practices within the energy and natural resources sector.
- Strong business development skills, with the ability to identify and pursue new opportunities.
- Excellent presentation and negotiation skills, with the ability to effectively engage and influence stakeholders.

QUALIFICATIONS/EXPERIENCE AND MINIMUM REQUIREMENTS:

- Bachelor's Degree (Environmental Sciences, Energy, Mining, or a related field is an advantage)
- Minimum of 2-3 years of experience in the energy and natural resources sector, preferably in an advisory role.
- Strong knowledge of industry-specific trends, and
- Demonstrated ability to work effectively in a fast-paced, deadline-driven environment.

Vacancy Title: ENR Senior

WE OFFER:

- A corporate culture in which personal growth, mutual trust, and lifelong learning are being fostered;
- An inclusive workspace that encourages diversity and pursues mutual respect for each other's beliefs and background;
- Professional experiences in an international and dynamic working environment with inspiring colleagues, continuous learning and development opportunities, and exposure to multi-disciplinary client service teams;
- Unrivalled space to grow and be innovative.

HOW TO APPLY:

- If your career aspirations match this exciting opportunity, please forward your CV to **recruitment@tz.gt.com**. Applications should reach us on or not later than **31 December 2023**.
