

Exciting career opportunity

Head of Legal, Risk, Regulatory and Compliance

Our Client, an upcoming technology company in Tanzania, is looking for an experienced commercial law attorney to fill the role of Head of Legal, Risk, Regulatory, and Compliance.

The ideal candidate will be responsible for driving compliance with a broad spectrum of legal and regulatory requirements, providing sound legal advice and support on strategic legal matters, and managing relationships with Government bodies and political institutions to promote the interests of the Company.

He/ She will report to the Managing Director.

Key roles and responsibilities

- Provide accurate, effective, and timely legal advice, analysis and support on complex commercial and contractual matters of significant strategic and/or financial value to the Company
- Identify regulatory risks and advise on/provide relevant solutions and or mitigants
- Play a lead role in negotiating and drafting legal agreements and attend to all contract legal issues
- Ensure that all legal matters are reported and managed in accordance with company governance requirements and processes, delegation of authority, and the Company Code of Conduct
- Keep business stakeholders updated and briefed on key projects and risk management including keeping the Board of Directors informed /involved on major or complex issues
- Establish and maintain good working relationships with the external regulatory stakeholders
- Actively participate in the legal community to bring benefit from experience, expertise, and synergies

Academic/Professional Qualifications and Experience:

- Degree in Law (LLB) and admission to the Bar in Tanzania
- A minimum of 8 – 10 years post-qualification experience.
- A strong business acumen with extensive experience in commercial law, drafting legal agreements, and negotiation
- A strong understanding of and experience in technology, infrastructure or related industry
- Ability to negotiate complex transactions and provide legal advice to senior business stakeholders
- Good understanding and experience working with regulatory authorities
- Ability to understand trade-offs/balance between business risk and legal considerations
